

NSO

By official Statistics we shall mean numerical data that are collected, compiled and published by different government bodies.

NATIONAL STATISTICAL OFFICE (NSO)

The National Statistical Office coordinates the statistical activities in the country and evolves statistical standards. NSO brings out important economic indicators such as Gross Domestic Product (GDP), Index of Industrial Product (IIP), Consumer Price Index (CPI) and other official statistics to support Government decision making and framing of appropriate socio-economic policies/programmes. The NSO also has a vast network of field offices spread across the length and breadth of the country for conducting nationwide large scale socio-economic surveys on a regular basis for providing insight into various facets of economy and society at large. Being the nodal agency in the country for official Statistics, the NSO coordinate statistical activities amongst Ministries/Departments of the Government of India as well as with the State/UT Governments.

- **NSO** is mandated with the following responsibilities:-
 1. acts as the nodal agency for planned development of the statistical system in the country, lays down and maintains norms and standards in the field of statistics, involving concepts and definitions, methodology of data collection, processing of data and dissemination of results;
 2. coordinates the statistical work in respect of the Ministries/Departments of the Government of India and State Statistical Bureaus (SSBs), advises the Ministries/Departments of the Government of India on statistical methodology and on statistical analysis of data;

3. prepares national accounts as well as publishes annual estimates of national product, government and private consumption expenditure, capital formation, savings, estimates of capital stock and consumption of fixed capital, as also the state level gross capital formation of supra-regional sectors and prepares comparable estimates of State Domestic Product (SDP) at current prices;
4. maintains liaison with international statistical organizations, such as, the United Nations Statistical Division (UNSD), the Economic and Social Commission for Asia and the Pacific (ESCAP), the Statistical Institute for Asia and the Pacific (SIAP), the International Monetary Fund (IMF), the Asian Development Bank (ADB), the Food and Agriculture Organizations (FAO), the International Labour Organizations (ILO), etc.
5. compiles and releases the Index of Industrial Production (IIP) every month in the form of 'quick estimates'; conducts the Annual Survey of Industries (ASI); and provides statistical information to assess and evaluate the changes in the growth, composition and structure of the organized manufacturing sector;
6. organizes and conducts periodic all-India Economic Censuses and follow-up enterprise surveys, provides an in-house facility to process the data collected through various socio economic surveys and follow-up enterprise surveys of Economic Censuses;
7. conducts large scale all-India sample surveys for creating the database needed for studying the impact of specific problems for the benefit of different population groups in diverse socio economic areas, such as employment, consumer expenditure, housing conditions and environment, literacy levels, health, nutrition, family welfare, etc;
8. examines the survey reports from the technical angle and evaluates the sampling design including survey feasibility studies in respect of surveys conducted by the National Sample Survey Organizations and other Central Ministries and Departments;

9. dissemination of statistical information on various aspects through a number of publications distributed to Government, semi-Government, or private data users/ agencies; and disseminates data, on request, to the United Nations agencies like the UNSD, the ESCAP, the ILO and other international agencies;
10. releases grants-in-aid to registered Non-Governmental Organizations and research institutions of repute for undertaking special studies or surveys, printing of statistical reports, and financing seminars, workshops and conferences relating to different subject areas of official statistics.

The conduct of National Sample Surveys, process of data and bringing out results of NSS are undertaken by the following Divisions:-

- The Survey Design and Research Division (**SDRD**), located at Kolkata, is responsible for technical planning of surveys, formulation of sample design, designing of enquiry schedules, formulation of concepts and definitions, drawing of tabulation plan, analysis and presentation of results and preparation of survey reports.
- The Field Operations Division (**FOD**) with its headquarters at Delhi/Faridabad and a network of 6 Zonal Offices, 53 Regional Offices and 116 Sub-Regional Offices spread throughout the country, is responsible for the collection of primary data for the surveys undertaken by MoSPI.
- The Data Quality and Assurance Division (**DQAD**) has its headquarters at Kolkata. It has six Data Processing Centers at Ahmedabad, Bangalore, Kolkata, Delhi, Giridih and Nagpur. It is responsible for sample selection, software development and processing & tabulation of the data collected through surveys. It also assists the States in providing IT solutions for their data processing related activities as also through periodic training/workshop and other interactive methods. Industrial Statistics (IS) Wing also works under this Division. The main function of IS Wing is finalising sample design, data

validation and preparing results of the Annual Survey of Industries (ASI) which is one of source of Industrial Statistics in India. The ASI data is collected and maintained through dedicated ASI Web Portal which leads to data accuracy and time saving. The portal helps to collect ASI data in a timely, transparent and reliable manner in a secured environment without any physical movement of the schedules.

- The Survey Coordination Division (**SCD**) headquartered at Delhi coordinates all the activities of different Divisions. Besides, SCD is also responsible for organising National Seminars to discuss the survey results of various surveys conducted by the NSO. It also publishes the technical journal of NSO, namely 'Sarvekshana' which includes research papers on various socio-economic surveys of NSO.

- **Chief Statistician of India(CSI)**

Tenure	Name
21 Feb 2007-30 June 2010 (First)	Dr. Pronab Sen
1 July 2010-31 Jan 2017	Prof T C A Anant
- 31 Aug 2020	Pravin Srivastava
(Current)	G.P. Samanta

- **National Statistics Day : 29th June**

- The objective of this Day is to create public awareness, among the people specially the younger generation for drawing inspirations from Prof. Mahalanobis about the role of statistics in socio-economic planning and policy formulation
- to celebrate birthday of Prasanta Chandra Mahalanobis
- 1st Statistics Day celebrated in 2007

Year	Theme
2022	Data for Sustainable Development
2021	SDG-2 End Hunger, Achieve Food Security and Improved Nutrition and Promote Sustainable Agriculture
2020	SDG- 3 (Ensure healthy lives and promote well-being for all at all ages) & SDG- 5 (Achieve gender equality and empower all women and girls)
2019	SDGs

- **World Statistics Day : 20th Oct** (celebrated every 5 years)

Year	Theme
2020	Connecting the world with data we can trust
2015	Better data, better lives
2010 (first)	Service, professionalism, integrity: celebrating the many contributions and achievements of official statistics

Divisions(12)	Functions	Publications/Note
1. Coordination and Publication Division(CPD)	-coordination with ministries and state DESs -implementation of SSS, WB's NPIQSI, WB's DPF and NQAF -nodal div. for CoS Act,2008 -organizes COCSSO and Statistics Day -monitors CD Scheme; parliamentary matters, RTI	
2.National Accounts Division(NAD) (ISO:9000)	-annual and quarterly GDP estimates -Estimates of Annual National Income -collates comparable estimates of Gross and Net State Domestic Product by economic activity & Per Capita Income estimates	-National Accounts Statistics -Supply-Use Table -Input-Output Transaction Tables -Payroll Reporting in India: An Employment Perspective
3. Data Informatics and Innovation Division(DIID) (erstwhile Computer Center)	-dev. of application software for MoSPI -uses IHSN toolkit -provides NIC cloud Services(Meghraj) -Transforms data into SDMX -developing NIIP and DI-Lab	

4. Price Statistics Division (PSD) (ISO:9000)	-compiles CPI(R/U/C) -compiles State wise CPI -coordinates ICP(International Comparison Programme)	-Monthly CPI(R/U/C) and CFPI
5. Field Operations Division(FOD)	-responsible for conduct of large scale sample surveys in diverse fields on All India basis. -e.g. ASI, PLFS, Enterprise Surveys as a follow up of the Economic Census -is associated in ICS Scheme -responsible for Urban Frame Survey	
6. Data Quality Assurance Division (DQAD) (erstwhile DPD)	-ensures quality of Socio-Economic Survey Data -developing GSS(Generalised Survey Solution) namely e-SIGMA (e- Survey Instrument and Generalised Multimodal Application) -e-SIGMA will synchronize functions of SDRD, FOD, DQAD, SCD	IS Wing of DQAD is responsible for collection, processing and release of Industrial Statistics data through ASI

7. Economic Statistics Division(ESD)	-IIP, Energy Statistics -NIC, NPC -Economic Census (7th latest in 2019-20) -ISP	-National Fact Sheet(Quarterly) -Energy Statistics(annually) -monthly IIP (lag of 6 weeks)
8. Policy Implementation and monitoring Division(PIMD) (New- wef Jan 2021)	-mandated to devise strategies to improve data governance and to steer the implementation of action plan so as to ensure full utilization of Industry 4.0 technologies. -spearheads the inter-ministerial statistical liasoning and is a nodal agency for developing framework for ensuring quality as per international standards.	

9. Social Statistics Division(SSD)	-social statistics covers: Population,Human Development,Health and Education,Employment,Social Justice -has three units (SDG Unit + Social and Welfare Statistics Unit + Environment Statistics Unit) -collates and compiles information sourced from national surveys, censuses, administrative data, economic statistics, remote sensing agencies and environmental monitoring systems -monitors the implementation of Twenty Point Programme (TPP) by collaborating with the Central Ministries and State Governments.	1. EnviStats India Vol.I : Environment Statistics (Annual) -released on last working day of March 2. EnviStats India Vol.II : Environmental Accounts (Annual) -released on last working day of Sep 3. Women and Men in India (Annual) 4. SAARC Social Charter(Biennial) 5. SDG NIF Baseline Report (Annual)
10. Survey Coordination Division (SCD)	-coordinates activities of NSS(SDRD, DQAD, FOD) -functions as Secretariat of DG(NSS) -replying to parliament questions and queries related to NSS surveys -monitors budget of NSS	-Sarvekshana (bi-annual) (first issue : July,1977) (latest 112th issue: Apr, 2022)

11. Survey Design and Research Division(SDRD) (ISO:9000)	-designing efficient survey methodology (sampling design, questionnaire etc.) -design operational procedures of Surveys -training of field personnel	
12. Training Division		

INDICATORS:

Index	Base Year	Frequency/Released by	Note	Remarks
CPI(AL/RL)	1986-87	every month(20th or preceding working day)/ Labour Bureau,MoLE	used for the determination/ fixation and revision of minimum wages in agricultural sector. CPI (AL) is also used in moving the base year poverty lines for rural areas to the subsequent years.	data is collected by FOD,NSO and transmitted to Labour Bureau
CPI(U)	2012	12th of every month/ PSD,NSO	Data collected for 1078 quotations across 310 towns	data is collected by FOD,NSO on the behalf of PSD
CPI(R)	2012	12th of every month/ PSD,NSO	data collected from 1181 village markets	data is collected by FOD,NSO on the behalf of PSD; earlier, before Sep2018, Dept of posts collected data

CPI(IW)	2016	on last working day of every month/Labour Bureau,MoLE	used for calculating DA of gov employees,and also to the workers in the industrial sectors, besides fixation and revision of minimum wages in scheduled employments, used in moving the base year poverty lines for urban areas to the subsequent years	
WPI (Wholesale Price Index)	2011-12	monthly/ Office of Economic Adviser, DPIIT, Min of Commerce and Industry	data collected for 6765 quotations covering 5648 manuf. units; covers goods only and not services	data is collected by FOD,NSO; OoEA is responsible for compiling and releasing WPI data monthly.

IIP (Index of Industrial Production)	2011-12	12th of every month/ ESD,NSO	Manuf: 77.63%; 405 item; DPIIT Mining: 14.373%; 1 item; IBM Electricity: 7.994%; 1 item; CEA	released with a lag of 6 weeks
Index of Eight core Industries	2011	monthly/ Office of Economic Adviser, DPIIT, Min of Commerce and Industry	constitute 40.27% of overall IIP	released prior to IIP
Index of Service Production (ISP)		ESD,NSO	since IIP and ASI covers only manufactured items and electricity, while ISP covers services such as banking, insurance, education, transport, telecom	

Other INDICATORS

Index	Parameters	Indicators	Ranking
Human Development Index(HDI)	1. Long & healthy Life 2. Knowledge 3. standard of living	1.1 Life expectancy(in years) 2.1 Expected years of schooling 2.2 Mean years of schooling 3.1 per capita Gross State Domestic Product	131/189 (UNDP)
Gender Development Index (GDI)	1. Long & healthy Life 2. Knowledge 3. standard of living	1.1 Life expectancy(in years) 2.1 Expected years of schooling 2.2 Mean years of schooling 3.1 Estimated earned income(M&F) per capita per annum	
Gender Inequality Index(GII)	1. Reproductive Health 2. Empowerment 3. Economic Status	1.1MMR 1.2Adolescent Birth Rates 2.1 prop. of parliamentary seats to women 2.2 prop. of 25+ females with secondary education 3.1 Female LFPR	131/189 (in 2020)

Global Hunger Index(GHI)	1.Undernourishment 2. Child wasting 3.Child Stunting 4.Child mortality	1.1Share of the population with insufficient caloric intake 2.1Share of children under age five who have low weight for their height, reflecting acute undernutrition. 3.1Share of children under age five who have low height for their age, reflecting chronic undernutrition. 4.1mortality rate of children under the age of five.	101/116 (Concern Worldwide and welthungerlife)
Physical Quality Life Index(PQLI)	1. Literacy Rate 2. IMR 3. Life expectancy at age one		
Human Poverty Index	1. Longevity 2. Knowledge 3. standard of living		
Digital Quality of Life Index		Internet affordability; Internet quality; Electronic infrastructure; Electronic security ;Electronic government	57/85(Surf Shark)
SDG India Index			Niti Aayog

Surveys/Census

Survey/Census	Objective	Reference Period/Periodicity	Conducted by
PLFS(Periodic Labour Force Survey)	to estimate the key employment and unemployment indicators (viz. Worker Population Ratio, Labour Force Participation Rate, Unemployment Rate) in the short time interval of three months for the urban areas only in (CWS). to estimate employment and unemployment indicators in both 'Usual Status' (ps+ss) and CWS in both rural and urban areas annually. (-rotational panel sampling design is used)	1. quarterly bulletin on WPR, LFPR, UR is released 2. Annual reports of employment and unemployment are released in Usual status and CWS	NSO
ASI(Annual Survey of Industries)	<u>principal source of industrial statistics of registered manufacturing sector in India</u> -covers only organized manufacturing sector	conducted annually	Industrial Statistics (IS) Wing of DQAD

UFS(Urban Frame Survey)	formation and updation of UFS blocks for providing frame for selection of first stage sampling units in urban sector to conduct various Socio-Economic surveys of MoSPI.	quinquennially	FOD, NSO
QES(Quarterly Employment Survey)	covers 9 sectors: manufacturing, construction, trade, transport, education, health, accomodation&restaurants ,IT/BPOs, financial services sectors		MoLE (Min. of Labour and Employment)
ASUSE(Annual Survey of Unincorporated Enterprises)	devoted to 'Unincorporated Non-agricultural Establishments' launched on 1st October 2019		
Census		decennially	Office of Registrar General of India,MH A
Economic Census	complete count of all non-farm economic establishments located within the geographical boundary of India		ESD (NSO)

Livestock Census	source of statistics on livestock numbers, their age and sex structure, and functional classification	quinquennially	Dept. of Animal Husb.
Agriculture Census	source of data on structure, distribution and operation of Agriculture Holdings	quinquennially	DoAgri. & Farmers Welfare

• **Surveys Conducted by RBI**

1. [Consumer Confidence Survey \(CCS\) – Monthly](#)
2. [Inflation Expectations Survey of Households \(IESH\) – Monthly](#)
3. [OBICUS Survey on manufacturing sector – Quarterly](#)
4. [Industrial Outlook Survey of the Manufacturing Sector- Quarterly](#)
5. [Survey of Professional Forecasters on Macroeconomic Indicators](#)

7. [Services and Infrastructure Outlook Survey- Quarterly](#)

- List of Official Statistics products identified as **8 CORE STATISTICS**:

Product/Indicator	Released by	Periodicity
1. National Income		
• GDP	NSO(NAD)	Quarterly/Annually
• IOTT	NSO(NAD)	5 years
• CFC, Subsidies, Indirect taxes, PFCE, GFCEs	NSO(NAD)	Quarterly/Annually
2. Production and Service Sectors		
• Landholdings and other things	D/o Agriculture and Cooperation	5 years
• IIP	NSO(ESD)	Monthly
• Output, Input, Value added, capital and employment in informal sector	NSO and States/UTs	5 years
3. Budgetary Transactions		
• Revenue Deficit	M/o Finance	Annually
• Fiscal Deficit	M/o Finance	Annually
4. Money and Banking		
• Currency with the Public	RBI	Annually

5. Capital Market		
Resource Mobilization from Primary Market	SEBI	Annually

6. Indices and other short term Indicators		
WPI	OoEA,DIPP	Monthly
CPI(R/U/C)	NSO(PSD)	Monthly
CPI(IW/AL/RL)	Labour Bureau	Monthly
ISP	NSO(ESD)	Monthly
7. External Sector		
Foreign Exchange Reserves	RBI	Monthly
Balance of Payments	RBI	Annually
8. Demography, Social and Environment Sectors		
Population Census	OoRGI,MHA	Decennial(10 years)
Vital Statistics	OoRGI,MHA	Annual
No. of persons employed acc. to US/CWS	NSO	5 years
LFPR/WFPR	NSO	5 years

Statistics on Education	D/o Higher Education	Annually
Vital Stats under SRS	OoRGI,MHA	Annually
Vital Stats under Civil Reg. System	OoRGI,MHA	Annually
SDGs	NSO(SSD)	Annually
Indicators on maternal health, child health, family planning, etc.	M/o Health and Family Welfare	Annual/Periodically
